

It seems that people are impressed with our track Here is an extract from Kartsportnews 1<sup>st</sup> Aug 2009

### **Pucka's New Clubrooms**

Check out the new clubrooms at Pucka! At the Vic Open, the Eastern Lions Kart Club had a huge deck area for viewing and temporary structure in place to house presentations etc.

A reader was at the circuit recently practicing for the upcoming Junior Sprint and emailed these photos of the impressive development of the facilities at the track.

Competitors heading to the Junior Sprint Classic later this month are sure to be impressed (and I reckon that front verandah is going to be *packed*).
