EASTERN LIONS KART CLUB

KARTING IN AUSTRALIA

Karting is a sport for all ages, bringing together children, teens, and adults in a fun and safe environment. While many people associate karting with young drivers, adults are also active participants, making it a sport that truly spans generations.

More than just racing, karting is a place where people learn and grow. Children as young as seven develop driving skills, confidence, and teamwork long before they get their road licence. For adults, it's an exciting hobby that sharpens focus, precision, and quick thinking – all in a welcoming, family-friendly setting.

Our club is more than just a place to race, it's a community. Families come together on and off the track, supporting each other, sharing experiences, and celebrating achievements. Whether at local club days or larger regional and national events, our members enjoy a sense of belonging and camaraderie.

By supporting our club, you're helping nurture this community and keep the sport accessible and safe for everyone. Your contribution helps young people get started, encourages families to engage, and keeps the thrill of karting alive for enthusiasts of all ages.

For anyone interested in exploring karting, the first step is simple: join a local club and start with a provisional licence. More information is available about getting started is available on the [Karting Victoria website](#).

ABOUT ELKC

Established in 1961, the Eastern Lions Kart Club (ELKC) is set on 76 picturesque acres in Puckapunyal. Over the decades, we have become a cornerstone of Australian karting, hosting some of the nation's most prestigious events.

At ELKC, we take pride in developing both exceptional racing standards and outstanding racing drivers. Notable alumni such as Craig Lowndes, Jamie Whincup, and Cameron McConville all began their racing journeys at our club.

Our state-of-the-art, privately owned facilities include a 1064m race track, purpose-built race control tower, clubrooms, amenities including toilets and showers, and camping areas. These facilities allow competitors and spectators to fully enjoy our events, while also taking part in our famous club dinners and social activities.

ELKC events can attract over 400 racers and thousands of spectators during a four-day round. Beyond large-scale competitions, our monthly Social Karting and Club Days continue to draw members and families alike, fostering community and a love for the sport.

These events are made possible by our dedicated volunteer members and officials, as well as the support of our long-standing sponsors and partners, who help keep the wheels turning and the community thriving.

JUNIOR SPRINT CLASSIC

In the early 1980s, ELKC introduced the Junior Sprint Classic, a race meeting designed specifically to support the growth and development of young drivers. The event provides a safe and encouraging environment where juniors can compete with their peers, free from the added pressure of racing against more experienced drivers.

Over the years, the Junior Sprint Classic has grown into ELKC's signature event, attracting some of the nation's most promising young talent. Past winners include Oscar Piastri, Anton de Pasquale, and Scott McLaughlin, who have all gone on to achieve success on national and international stages.

In 2026, with the support of our platinum partner EKS, we will celebrate the 44th year of this two-day event, continuing a proud tradition of nurturing the next generation of racing drivers while providing exciting, family-friendly entertainment for spectators and participants alike.
